# MAKING EVERYDAY SPECIAL!

## What is CASA Family Day?

CASA Family Day is a national program that celebrates simple, everyday things parents can do to build a strong, healthy relationship with their kids that prevents future substance use.

What started as a grassroots initiative to inform parents about the benefits of frequent family dinners has evolved to reflect how important it is for parents to connect with their kids. Everyday activities like sharing a meal, playing a game, or asking about their day can significantly boost a child's development. Each of these moments offers an opportunity to communicate with kids and to really listen to what's on their mind.

*More than 9,000 people downloaded materials directly from the Family Day website*

*More than 33,000 community groups across the country connected with CASA Family Day through social media*

*30,000 Family Day brochures and magnets were distributed nationwide*

**Last year...**

# WHAT CAN FAMILY DAY DO FOR YOUR COMPANY?

You would be associated with a national campaign that is supported by scores of families, nonprofit groups, Major League Baseball teams, and elected officials.
